Session times: morning sessions begin at 9:30am and afternoon sessions begin at 1pm.

Exam duration: duration of exam may vary if you have certain access arrangements.

What to do if you feel unwell: please call school as soon as possible on 0121 552 3125. We strongly advise that you still attend your exam as in most cases, it is best to take the exam. If you unable to attend due to illness, a **note from your doctor** detailing the reason for non-attendance will be required. There is the possibility of submitting this note to the Awarding Body to ask for special consideration. The Awarding Body makes the final decision as to whether you are entitled to special consideration.

What to do if you are running late: you must call school immediately if you think you are going to be late. On arrival, you will be expected to hand in any unauthorised material i.e. mobile phone. You will be entitled to the full duration of the exam providing suitable invigilation arrangements are in place. If you are more than one hour late for your exam, the Awarding Body will be notified and they may not accept your exam script.
