Message from the Head

It is hard to believe we are already a third of the way through the new school year as we prepare to move into 2019.

As I reflect back over the past 12 months it is always a pleasure to recall where we have been and what we have achieved.

In the Spring term the residential provision secured an Outstanding inspection result, a true reflection of the team's hard work. In addition, we took the largest group yet of students skiing to the French Alps, an amazing experience. In the Summer term, the school successfully organised and hosted the first National SEMH Schools Sports Festival at The Brades Lodge and the Alexandra Stadium.

Summer also saw students cycle to Snowdon and climb to the summit to support their friend and raise awareness of and money for teenage and testicular cancer groups.

This term, we have sailed on the Solent, camped out in the rain and visited a whole range of learning and activity centres.

Most importantly however; throughout the whole year, the students have continued to improve their core academic skills and build confidence and social resilience.

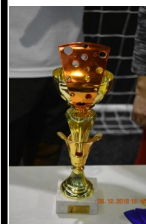

On behalf of all the team at Shenstone Lodge Schools I would like to take this opportunity to wish you a very Merry Christmas and a safe and prosperous New Year.

ANTI KNIFE CRIME FUND RAISING EVENT

On the 6th December The Brades Lodge hosted an amazing fund raising event at the Play Football Arena, Hockley, Birmingham. 14 Key Stage 3 teams descended on the venue for a round robin tournament of league games and then 'knock outs' til the best team on the day won the coveted title and cup.

Although the football was high energy and thrilling the event was really to raise money for, and awareness of, the Anti Knife Crime Charity ACT.

At the end of the event Sandwell's Mayor, Joy Edis, handed out the trophies and spoke about the dangers of carrying knives.

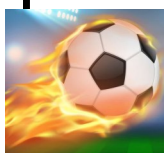

SEMH SCHOOL CONFERENCE

Shenstone Lodge again organised and hosted the Regional SEMH Schools conference which took place in Walsall on 9.11.18. The event was the biggest ever with 450 delegates from schools and units across the West Midlands. The day was a great opportunity for colleagues to develop their working knowledge by listening to keynote speakers and attending workshops delivered by SEMH practitioners. A delegate from Staffordshire said it was a "Brilliant and worthwhile day!"

SPORTS NEWS

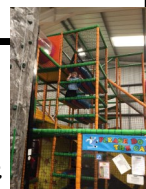

The Brades Lodge KS 3 football team have played a friendly against Northern House School from Solihull. Although the team suffered a heavy defeat, they battled well and kept trying hard. This was eventually rewarded by a moment of brilliance as Dom scored 'on the volley' into the top corner direct from Ethan's corner. This was then followed up by an exquisite free kick from Reh who left the keeper standing.

The Key Stage 4 team had a league fixture against Keyham Lodge from Leicester. The team performed well throughout this closely contested match, which they narrowly lost 7-5. Of note; Rio is now the school's top scorer! This was the first game in the new kit provided by the Education Network. Scott Worton

Enterprise Rewards

As part of our Enterprise Week the children at Shenstone Lodge were given the opportunity to raise as much money as they could by creating and selling a class product. The children worked exceptionally hard and were given the choice about how they would like to spend their money. The children in Unicorn and Dragons class decided to spend the morning at Adventure Land. Ethan said "It was Awesome !" Miss Foulkes and Mrs Sizer

IMPROVING PARENT COMMUNICATIONS

After looking at the way that 'Class Dojo' enables Teachers and other school staff to communicate with Parents at Shenstone Lodge School in a timely manner and to celebrate success, we are rolling this out at The Brades Lodge.

Over the next few weeks we will be requesting an e-mail address from you (if we haven't already got it) with an invitation to join the scheme. When you accept you will be kept informed of trips, excursions and events that impact your child. We can remind you of events that you might like to take part in such as Parental Engagement Days, important assemblies and sporting fixtures you might be able to come and watch.

Should you need any further information please do not hesitate to contact Simon Hobbs at The Brades Lodge 0121 552 3125

RESIDENTIAL HIGHLIGHTS

Friendship has been the focus for this half term, so our activities and visits have all been planned to provide lots of opportunities for the group to mix and play... and boy have the kids been on it! Friendship skills have been developed constantly with varying levels of staff support through offsite swimming sessions, attending the local cub scouting group and visiting the local soft play centre. It has been great to see the children interacting and testing their friendship skills with others who are not part of Shenstone Lodge School, watching the games being played, the laughter and the beaming smiles afterwards ! All these experiences help to build confidence, improve creative thinking and problem solving and to develop emotional control and acceptance of others. Happy Christmas !

Year 7 Monkey Business

On Monday 26th November, Year 7 students at The Brades Lodge participated in a trip to 'Go Ape' in Cannock. The students had the opportunity to engage in a tree-top adventure which involved high climbs, wire crossings between trees, a tarzan swing and platform jumps. They attempted the adult course which is particularly challenging, and all completed at least part of the course, so we are very proud of their courage and resilience.

This trip was organised by the English department, as Year 7 have been studying non-fiction texts on the subject of extreme sports. They will use their experiences at 'Go Ape' to write a detailed factual report and produce promotional materials for the venue. As an added extra, McKenzie Lu also achieved a lifetime ambition of seeing a wild deer as one ran across the road in front of the minibus on the journey back to school!

Quiz Corner

1. What kind of Christmas is Bing Crosby dreaming of ?

A.O.B.

Unfortunately we are coming to that time of year when the weather is becoming increasingly cold and unpredictable. As a result, it may be the case that for safety reasons, the school has to make the difficult decision to close. It is our intention to let you know this information as soon as possible. We will post this on the school website first then text the message to all known Parent/Carer numbers. We will then let Sandwell Council know. They will add it to their school closure list and Facebook page.

Parent Governor still required ... If you would like to know more please contact the school on : headteacher@shenstonelodge.co.uk

Well Done...

To Andre, Lewis, Jamie, Luke, McKenzie Lu and R'Mario for receiving the most positive report slips at The Brades Lodge this half term.

To Rehquarne, Andre, Ethan, Kyle, Rio, and Thomas who have 100% attendance this half term at The Brades Lodge.

To Chris, Daniel M, Caiden, Ethan C and Jake O with the highest class Dojos this half term.

To Chris, Caiden, Lexi, Ethan C, Malachi, Luke, Romero, Celest, Leo B, Xavier, Leona, Jake, Cameron and Ryan who have 100% attendance at Shenstone Lodge this half term.

KEEP SAFE AT CHRISTMAS

With an increase in media coverage of 'County Lines' drug trafficking the school is working closely with West Midlands Police to raise awareness of this particularly nasty crime. As a result we would like to make you aware of what to look out for if you suspect your child may be vulnerable to, or could be involved in this practice especially over the up-coming holiday season :

- *Returning home late, staying out all night or going missing*
- *Being found in areas away from home*
- *Being secretive about who they are talking to and where they are going*
- *Unexplained absences from school, college, training or work*
- *Unexplained money, phone(s), clothes or jewellery*
- *Increasingly disruptive or aggressive behaviour*
- *Coming home with injuries or looking particularly dishevelled*
- *Having hotel cards or keys to unknown places*

Should you suspect anything please do not hesitate to notify the police on 101 and report your suspicions or worries immediately. Don't let your child be a victim !

If you would like further information then please look online or speak to school.

LOOK OUT COSTA !

As a result of an opportune moment and a conversation with staff at a local Library, The Brades Lodge team have acquired a fantastic resource. In the New Year staff and students will be working to open their very own community enterprise project in the former Bookworm Café which sits within Smethwick Library. Not only will the students be supported to make minor renovations to the area, they will also be involved in turning it into a financially successful business. As part of the school's aim to increase the levels of employability for the students, this enterprise will provide a real world platform for students to achieve food hygiene certificates, financial management skills and marketing accreditations, Barista training and much more. Of course it goes without saying that the students will also need to develop their confidence and provide great levels of customer service. We look forward to inviting you all to the grand opening in the near future !

Learning Comes Alive !

As part of our Talk for Writing topic about George and the Dragon, Unicorn and Dragons classes went on a visit to Dudley Zoo and Castle. We took part in a 'Horrible Histories' workshop where we learnt about the history of Dudley castle, what life would have been like there and we got the opportunity to meet some of the animals who used to live there. Junior said "I loved looking at all the animals especially the Lions and the Bush Dogs." Miss Foulkes and Mrs Sizer

Diversity and Belonging week at The Brades Lodge

WAR
child

In the final week of term, staff and students have planned to visit community groups that reflect and represent people in society that may experience difficulties in the way modern society perceives them, yet, are part of a richly, diverse society and should be supported and valued by the wider community.

Students will be speaking to people who: have a physical disability, are representatives of the LGBT community, find themselves homeless, or are children from areas experiencing conflict and the aftermath of conflict. This is an amazing opportunity for our students to gain a greater understanding of diversity, tolerance and how people experience different ways of life.

We have collected coats and put together 'care' parcels for the homeless. In addition the school held an e-gaming competition to raise money for the War Child charity.

Students will be sharing and presenting about their visits to other members of the school during a special assembly before we break up.

Did you know that Parental controls are offered by most home internet providers ? These will allow you to set up filters on your WiFi to help prevent age inappropriate content being accessed on your devices. The 4 big internet providers in the UK - BT, Sky, TalkTalk and Virgin Media - provide their customers with free parental controls which can be activated at any time. The following link shows you how to set things up ...
