

# News from school

## The Cottage

Keystage 3 is no longer, it is now the cottage for support and intervention activities.

We all go over there for different interventions such as Play therapy, Sunshine time, Maths and English support. The staff in the cottage are nice and they try hard to make our sessions with them fun, supportive and useful.

SHENSTONE LODGE SCHOOL

## Football Team

At break times we have been doing football practice to prepare us for our matches. We have tried hard to improve our skills and work as a team.

On Thursday 25.04.13 we played our first game against Greysbrook school. The match was very close with Shenstone only losing 2-1.

On Tuesday 30.04.13 we played against the Shenstone staff and managed to attain a 5-5 draw score.

WELL PLAYED Shenstone team.

## Enrichment Activities

After the Easter Holidays we started doing enrichment activities on Friday afternoons. We get to choose our activity if we have worked hard and behaved well in school. These are the choices we get - we either get to do cooking, sports, swimming, craft or drama. These afternoons have been going well and are enjoyed by all.

On Friday 15<sup>th</sup> of March we were involved in Red Nose Day. It was a brilliant day, we had a 'Shenstone Lodge bake off' as we called it. Class 4 were the winners in 1<sup>st</sup> place. Keystage 3 also made a big Red Nose day cake for a guess the weight competition. All the cakes were sold to bring home. Due to everyone's team effort, both home and school, we managed to collect a massive £72 for Red Nose charities.

A VERY BIG THANKYOU TO EVERYONE WHO HELPED!

For the week beginning 4<sup>th</sup> March 2013, the whole school was involved in Book Week activities. We decided to make our focus 'Horrid Henry' stories, which we thoroughly enjoyed reading during the week. Each class also wrote their own stories and on Friday of the same week we all participated in a fun afternoon sharing our stories.

## Bike Week

Starting on 25<sup>th</sup> March the whole school began a focus week on Bike safety. Unfortunately, due to the snowy weather, we couldn't have the practical Dr Bike session. However, all classes spent the week on various bike activities.

In class 4 we all made bike helmets, so all of us got to work, it was not so good at first. But after a few problems with the papier mache we managed some great final designs. Other classes were involved in making posters, collages and pipe cleaner bikes to reinforce safety on bikes.

### Dates for Diary

13<sup>th</sup> - 16<sup>th</sup> May - SAT's week  
23<sup>rd</sup> May - Olympics Day  
24<sup>th</sup> May - Spring Bank Holiday  
4<sup>th</sup> June - Live Music Event
